

Youth Alcohol Use Survey Sample

Introduction: this survey was developed by UNC Team members for use during the 2004-2009 CDC TMVIPP funding cycle to conduct formative evaluation at a Tribe in Wisconsin about knowledge, attitudes, and practices regarding youth alcohol use and impaired driving. The questions used in this sample survey should be modified, as needed, to best suit your project's needs and for use in your community.

Background Information

- What is your gender?
 - Male
 - Female
- How old are you? _____
